ART SPARK!

MILD TO MODERATE MEMORY LOSS PROGRAMMING

"Art Spark!" is a program designed for people with mild to moderate memory loss and their care partners. This program provides opportunities for dialogue and reflection through art engagement within the FIA galleries and studios. Engaging with visual art and art making activities can help individuals cope with the emotional impact of Alzheimers and memory loss. No artistic skills are required. All materials will be provided free of charge. Wheelchairs and walkers are welcome.
