

# SOCIAL ENGAGEMENT PROGRAMS

An Alzheimer's or dementia diagnosis can often be isolating — it is important to help the diagnosed individual and their caregiver remain engaged and socially active.

**Programs are free of charge thanks to the Bruce H. and Rosalie N. Rosen Community Connect Program.**

Please contact our 24/7 Helpline at 800.272.3900 or email [helplinegmc@alz.org](mailto:helplinegmc@alz.org) with questions or to register.
